

HSE Midwifery Bulletin

Issue 1 March 2024

This Research Bulletin provides featured articles from core midwifery journals. It will be published quarterly. The bulletin has been developed as a collaboration between the ONMSD National Lead for Midwifery and the HSE Library Knowledge Support Team. Some links have abstracts or no abstracts at all. To request the full text of any of these articles email: Knowledge Support or

click on the following link to subscribe to the bulletin: <https://hse-ie.libinsight.com/ks>
