

NCLC Clinical Leadership Programme for ADON/ADOM, CNM/CMM 3, ADPHN, ANP, AMP & equivalent grades

Aim of Programme

The aim of this 4 day programme is to support ADON, ADOM, CNM3, CMM3, ADPHN, ANP, AMP and equivalent grades to enhance their leadership knowledge, understanding, skills and attitude and apply their learning to practice in their leadership roles.

Course Objectives

- Interact, network and learn from other senior leaders
- Enhance leadership capacity by developing personal awareness, confidence, authority and organisational awareness
- Reflect on leadership in contemporary healthcare organisations
- Explore opportunities and challenges of transitioning into senior leadership roles
- Build professional capacity to lead an effective, cohesive team
- Enhance capacity for building negotiation and conflict management skills
- Develop insight into, and understanding of the importance of self-care for oneself and others

Teaching & Learning Strategies:

Interactive facilitation with guest presenters, large and small group discussions and self-directed learning.

Application Process

Register your interest by clicking on the Smart Survey link below. We advise that registration of interest does not guarantee a place. You will be informed if you have received a place 6 weeks before the programme commences. Registration will close when programme is full.
