

NCLC Clinical Leadership Programme for Clinical Nurse Managers and Clinical Midwife Managers 1 & 2 and equivalent grades

Programme Aim

The aim of this three-day virtual programme is to support CNM/CMM 1 and 2s and equivalent grades to develop their leadership skills and knowledge through the programme content and their own application of learning to practice.

Course Objective

Participants will have the opportunity to:

- Learn self-care strategies for themselves and others
- Further develop their self-awareness and emotional intelligence
- Explore the concept of clinical leadership in practice
- Use clear direct communication as a leader
- Explore the management of conflict using respectful challenge
- Develop skills in leading a cohesive and effective team
- Develop their negotiation, influencing and political awareness skills

Teaching & Learning Strategy

This programme will take place online over three days (participants must attend all three dates outlined below). Participants will be supported through the use of presentations, an individual workbook, and interactive group work and recommended reading.

Application Process

Register your interest by clicking on the link for the programme below. Please be advised that registration does not guarantee a place. You will be informed if you have been successful in securing a place six weeks before the programme commences. The programme will close once full.
