

NCLC Clinical Leadership Programme for Staff Nurse and Staff Midwives

Programme Aim

This two day virtual programme supports staff nurses and staff midwives to engage in clinical leadership development using an interactive facilitated mode of delivery and guides participants to enhance their clinical leadership confidence by recognizing their influence as clinical leaders through the development of clinical leadership competencies. **Participants must attend both day 1 and day 2 in order to complete the programme.**

Learning Outcomes

Participants will have the opportunity to:

- ✓ Understand the importance of self-awareness in clinical leadership
- ✓ Explore core values that may impact on clinical leadership
- ✓ Demonstrate personal effectiveness through communication
- ✓ Build confidence by cultivating empowerment and advocacy
- ✓ Understand the importance of decision making to promote quality improvement
- ✓ Explore the impact of teamwork on patient/client care
- ✓ Recognise the importance of self-care as a clinical leader

Teaching & Learning Strategies

This programme offers a combination of individual reflective learning (by completing the pre-learning workbook) and attendance at the two day facilitated virtual learning platform.
