

One Day Leadership Programme for Nurses and Midwives

The National Clinical Leadership Centre for Nursing and Midwifery look forward to delivering the internationally recognised ICARE leadership programme. This one day leadership programme has been developed by Health Services 360 (UK) to give you time to pause and reflect on your leadership journey during the pandemic, so you can continue to do the things that matter to you, seek support on your leadership journey and lead others to do the same.

Registration: Having acquired your line manager approval, please choose **ONE** date applicable to your grade and click on the link or scan QR code to register for that date. Please note registration does not guarantee a place on the programme. Applicants will be informed if they have a place **AFTER** the closing date.

Closing Date: 12^{md} on 24th September 2021. Registration will close on the closing date OR when the programme is full.
