

HSE Online Payslips User Guide

Logging In

To 'Sign In' enter your 8 digit User ID and Password.

Your password will be supplied by email following successful registration. *If you are using webmail such as Gmail or Yahoo please remember to check the Spam/Junk folders as automated emails are often sent to these folders. Webmail account access may be blocked when being accessed from within the HSE network.*

The password is 4 characters in length. If you are copying from your email and pasting, it will often include an extra space at the end. If you see 5 dots when you paste into the password box, delete the last dot. If you are typing the password in please bear in mind that it is case sensitive; you will need to enter the password exactly as it appears on your Welcome mail, including any upper/lower case letters or numbers.
