HSE Online Payslips User Guide

Logging In

To ‘Sign In’ enter your 8 digit User ID and Password.

Your password will be supplied by email following successful registration. If you are using webmail such as Gmail or Yahoo please remember to check the Spam/Junk folders as automated emails are often sent to these folders. Webmail account access may be blocked when being accessed from within the HSE network.

The password is 4 characters in length. If you are copying from your email and pasting, it will often include an extra space at the end. If you see 5 dots when you paste into the password box, delete the last dot. If you are typing the password in please bear in mind that it is case sensitive; you will need to enter the password exactly as it appears on your Welcome mail, including any upper/lower case letters or numbers.

Requesting a new password

Using the ‘Forgotten Password’ link

This link allows you to request a password reset in the event that you cannot remember your existing password.

The first step is to click on the ‘forgotten password’ link

This brings up the Forgotten Password page where you are prompted for your User ID and presented with one of your previously set security validation questions.
Click on [reset my account] link.

The following screen is displayed if you have entered incorrect details:

**Confirmation Message.**

You have entered incorrect details. Your account has not been reset and you will not receive an email with a temporary password.

Please re-enter details by clicking on continue and selecting forgotten password. If you continue to experience problems requesting a password reset please email the Online Payslip Support Department at HSEPays@Zellis.com giving details of your issue and including your full name and your User ID. Telephone support will be available at 01-2474202 but priority will be given to the email support services.

If the correct details have been supplied the following confirmation page will be displayed:

**Confirmation Message!**

The details provided are correct. You will shortly be sent an email with a temporary password

An email is generated and sent to your email account.

The email contains a temporary password and instructions for logging in:

**From:** <payslips@hse.ie>

**Date:** 13 November 2019 at 09:12:01 GMT

**To:** User@hse.ie

**Subject: MyView Employee Self Service Forgotten Password**

Dear User name,

Your password has been reset. In order to access this service you will need your User ID and Password.
Your User ID is 123456
Your initial password is Gh74

As an initial security validation when you first login you will be asked your PPS Number. You will then be asked to create a number of additional security questions and to change your password. One of these additional security questions will be presented on each subsequent login.

To login now and view your payslips online please click on the following link.
https://onlinepayslipsrl.hse.ie/live/Portal/

Please do not reply to this email. Replies to this email will not be responded to or read. If you have any questions please visit the FAQs section on our website.

Kind Regards
System Administrator

You can then log in using the temporary password

On successful login you will be asked for your PPS number. Click on [Verify my details] to continue

You will then be asked to set the answers to your security validation questions. On subsequent logins one of these questions will be asked and the answer must match the answer provided here

Click on [Set my user questions] to continue
Once these questions have been set you must change your password by entering your old password, followed by your new password which you must then confirm. The screen contains the valid format instructions.

Clicking on [Submit] will bring you to the next screen

The following message confirms that the password change is complete.

The HSE Online Payslips screen will appear.
